

TrustPay

An experienced partner
for your business since
2009.

VISA

Card Acquiring

Accept payments from millions of VISA and MasterCard holders around the world with an experienced, service-oriented acquirer!

Multicurrency processing and settlement

With TrustPay, you can accept card payments in **over 170 different currencies** and in turn receive your **settlement in 11 different currencies**, including EUR, GBP and USD.

Tokenization

Save the time of your returning customers and store their card details safely through tokenization.

Recurring billing

For effortless payment experience of your subscribed customers.

Processing currencies

Your clients can pay in over 170 currencies worldwide

Payouts

Receive the accepted client payments in 11 different currencies.

Direct acquiring

Lower your costs and reduce the complexity by working directly with an „acquiring bank“. TrustPay is a direct member of both Visa and Mastercard and thus you are cutting out the middlemen.

Automated reconciliation

Eliminate your manual reconciliation with TrustPay's superior reporting tools and save costs! Whatever the delivery channel- advanced (API, SFTP) or less technical (e-mail), TrustPay has you covered. Wide range of report formats supported.
